

## Aaron Menlove Bio

I have been a PRODUCER with Citadel Insurance (InspectorPro Insurance) for the last 7 years. During this period I have worked on Risk Management, evaluated leads obtained through direct referrals/lead databases/cold contacts, modeled exceptional customer service skills and appropriate diagnostic sales techniques, negotiated new and renewal production goals with business development.

I have attended/presented/supported ASHI/NACHI/State inspections CE/Training courses throughout the country. I am very knowledgeable in the INSPECTION needs of current or prospective clients.

Graduated from the University of Utah with a Bachelor of Finance 1995. I have 4 children and am very involved in the local biking scene. I also loves skiing and summer vacations in Lake Powell.

I am confident we have built the best inspection insurance product on the market. InspectorPro specializes in comprehensive Errors and Omissions (E&O) and General Liability (GL) coverage for Home Inspectors. We are preferred providers for ASHI, InterNachi, CREIA, MAHI, WAHI as well as several regional and local associations. We have superior claims handling and quality customer service!!

Feel free to call me directly to discuss your insurance needs! Ask about our Pre-Claims Assistance!! 801-610-2708
